NARRATIVE

On 10/16/2014 at about 2258 hours (all times approximate) I was radio dispatched to a priority hit and run collision in the area of 500 125th Ave NE in the city of Lake Stevens.

Arriving on scene and talking with the driver of U2 and a passenger from U1, along with observed evidence at the scene, it is found U2 had been traveling northbound in the 400 block of South Lake Stevens Road, a county roadway in Snohomish County, and was being followed by U1. U2 proceeded to make a left turn into a parking area. As U2 was making the left turn, U1 proceeded to pass U2 on the left, striking the front of U2 causing reportable damage. U1 failed to stop and exchange information or check for injuries and fled the scene northbound on S Lake Stevens Road. The driver of U2 followed U1 into the city of Lake Stevens to the 500 block of 125th Ave NE (a dead end street) where the driver of U1 and a passenger from U1 fled the scene on foot. A passenger from U1 remained at the scene.

The female passenger in U1 complained of neck pain and was transported to the hospital by aid car. The driver of U2 complained of swelling in the area of his left hand.

U1 was towed by law enforcement and U2 was towed by owners request.

The driver of U1 was identified by the passenger of U1 (his twin brother) which had remained on scene.

I CERTIFY (DECLARE) UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING IS TRUE AND CORRECT. (RCW 9A.72.085)

ADDITIONAL NARRATIVE

AGENCY NAME LAKE STEVENS POLICE DEPARTMENT	INCIDENT CLASSIFICATION HIT AND RUN INJURY COLLISION	INCIDENT NUMBER 14-02600
NAME OF VICTIM(S) TRUONG/NGUYEN		

OFFICER:

On the date and time of this incident I was wearing a full Lake Stevens Police Department issued duty uniform which includes shoulder department patches and a chest badge which clearly identified me as a law enforcement officer. On the date and time of this incident I was operating a marked Lake Stevens Police Department patrol vehicle. On the date and time of this incident I had legal authority to arrest. I have been a city of Lake Stevens Police Department Police Officer for over 14.5 years.

SUMMARY:

On 10/16/2014 at about 2258 hours (all times approximate) I was radio dispatched to a priority hit and run collision in the area of 500 125th Ave NE in the city of Lake Stevens. Arriving on scene and talking with the driver of U2 and a passenger from U1, along with observed evidence at the scene, it is found U2 had been traveling northbound in the 300 block of South Lake Stevens Road, a county roadway in Snohomish County, and was being followed by U1. U2 proceeded to make a left turn into a parking area. As U2 was making the left turn, U1 proceeded to pass U2 on the left, striking the front of U2 causing reportable damage. U1 failed to stop and exchange information or check for injuries and fled the scene northbound on S Lake Stevens Road. The driver of U2 followed U1 into the city of Lake Stevens to the 500 block of 125th Ave NE (a dead end street) where the driver of U1 and a passenger from U1 fled the scene on foot. A passenger from U1 remained at the scene and identified the driver of U1 as being his twin brother Jason Lechner DOB 1970. The female passenger in U1 complained of neck pain and was transported to the hospital by aid car. The driver of U2 complained of swelling in the area of his left hand. Both vehicles were towed from the scene.

Due to the felony crime of hit and run injury vehicle collision having occurred on a County roadway out of the city of Lake Stevens the case report shall be referred to the Snohomish County Sheriff's Office for further follow up and charging.

NARRATIVE:

On 10/16/2014 at about 2258 hours (all times approximate) I was radio dispatched to a priority hit and run vehicle collision in the area of 500 125th Ave NE in the city of Lake Stevens. Terence Truong called 911 to report the incident.

At about 2305 hours I arrived on scene and found two damaged vehicles, a driver to the victim vehicle (Truong/U2) and a male passenger from the suspect vehicle (U1/#AGT2489). Initial report was the driver of U1 had fled northbound after a brief contact with Truong; along with a male passenger from U1. Truong's female passenger claimed she had the driver of U1 on video on her cell phone.

Truong indicated the initial vehicle collision had occurred in the 300 block of South Lake Stevens Road (as marked on his vehicle GPS/a county roadway in the county of Snohomish) and that U1 failed to stop so he (Truong) followed U1 to this location (a dead end street in the city of Lake Stevens) where U1 came to a stop.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing statement is true and correct.

ADDITIONAL NARRATIVE

AGENCY NAME LAKE STEVENS POLICE DEPARTMENT	INCIDENT CLASSIFICATION HIT AND RUN INJURY COLLISION	INCIDENT NUMBER 14-02600
NAME OF VICTIM(S) TRUONG/NGUYEN		

Truong indicated the collision occurred as he was attempting to make a left turn and U1 proceeded to pass him on the left and struck his vehicle as he was turning. U1 continued northbound on South Lake Stevens Road, after the collision and not stopping, to 8th Street NE (in the city of Lake Stevens) where U1 made a right turn onto eastbound 8th Street NE. Truong indicated U1 had run the stop sign at 8th Street and 123rd Ave as it attempted to get away and continued to the final stop location at the end of the roadway.

I observed reportable damage to units U1 and U2 which were consistent with the collision description/occurrence.

The remaining passenger from U1 was identified to be Jeremy R. Lechner DOB 1970. Jeremy Lechner claimed his twin brother Jason A. Lechner DOB 1970 had been driving U1 and left the scene on foot. Jeremy also claimed his son, Collin J. Lechner DOB 1997, had also left the scene on foot. Jeremy claimed his son left because he did not want any part of this and that his brother Jason left the scene probably because he does not have a driver's license.

Jason Lechner was found to have a suspended/revoked driver's license in the third degree as of 7/2013 for FTA/UNPAID TKT.

Jeremy claimed the vehicle Jason had been driving is a vehicle Jason had purchased for Collin and that he (Jeremy) has to pay Jason 700-750 dollars for the car.

U1 was found to be registered to Eugene Broadgate out of Monroe. Dispatch later had a police unit contact Broadgate and relayed information to me that Broadgate claimed to have sold his vehicle about 6 weeks ago (not completing a report of sale).

Jeremy declined to complete a written statement about the incident. Jeremy was also found to have a non-extraditable warrant issued for his arrest. Jeremy claimed he had not received any injury as a result of the vehicle collision. Jeremy was allowed to leave the scene on foot.

The passenger in U2 (Nguyen) complained of neck pain so an aid car was requested to the scene to evaluate her. Aid arrived and transported Nguyen to an area hospital for further evaluation/treatment. Due to Nguyen being transported to the hospital I was unable to view or collect the video evidence she had claimed to have captured of the driver of U1 on her cell phone.

Truong requested a tow truck for his vehicle due the extensive front end damage caused as a result of the collision. U1 was towed at law enforcements direction due to the vehicle driver having fled the scene of a crime leaving the vehicle parked/unattended in the roadway (cul-de-sac); the legal owner claiming he had sold the vehicle (no report of sale). Speedway towing towed Truong's vehicle and Mack's Towing impounded U1.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing statement is true and correct.

ADDITIONAL NARRATIVE

AGENCY NAME LAKE STEVENS POLICE DEPARTMENT	INCIDENT CLASSIFICATION HIT AND RUN INJURY COLLISION	INCIDENT NUMBER 14-02600
NAME OF VICTIM(S) TRUONG/NGUYEN		

Prior to U1 being removed from the scene I removed a wallet which was left in the vehicle on the driver's floorboard. This wallet contained the identification of Jason Lechner. Also in the wallet was a bank card belonging to Jeremy Lechner and a Tulalip signature card displaying Leah Lechner's name.

Also the ignition key for U1 was turned over to me by Truong who had removed the keys from U1. It was found this key in particular (a blank key) was found to be the key which started the vehicle; which the tow driver used to release the column lock.

I collected the wallet and keys as evidence in this case.

I took several digital images of the vehicles and damage. The digital images were later saved onto a CD-RW (also printed) and logged as evidence. All the collected evidence in his case was logged and secured at the evidence room in Lake Stevens.

Several police units attempted to locate Jason Lechner in the area of the incident without success.

Truong was able to complete a written statement prior to leaving the scene with the tow truck which had his vehicle.

At about 0022 hours I cleared the scene.

I later faxed the vehicle impound form to SnoPac to have the vehicle entered as being impounded.

At this time due to the felony crime of hit and run injury having occurred on a county roadway in the county of Snohomish this case report shall be forward to the Snohomish County Sheriff's Office for further follow up and charging.

ATTACHMENT:

- 1.) Truong's written statement
- 2.) Photo copy of Jason Lechner's identification
- 3.) Vehicle impound report
- 4.) Evidence sheet (2)
- 5.) Printed images
- 6.) CAD run

RECOMMENDATIONS:

Forward to the Snohomish County Sheriff's Office for further follow up and charging.

END OF REPORT.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing statement is true and correct.

ADDITIONAL NARRATIVE

AGENCY NAME LAKESTEVEENS POLICE DEPARTMENT	INCIDENT CLASSIFICATION HIT AND RUN INJURY COLL	INCIDENT NUMBER 14-02600
NAME OF VICTIM(S)		

FOLLOW UP NARRATIVE:

On 10/18/2014 I received a voicemail at work from the registered owner's wife of U1. I called her back and she informed me that they had gotten the vehicle out of impound and scraped it. She also stated that the vehicle registration appeared to be fraudulent since the registration for the vehicle had her husband's name on it but the address showing on the registration out of Monroe (12208 279th Ave SE) is fictitious and does not exist; nor do they or have they lived at that address. She stated they had originally sold the vehicle to a John Green and thought it odd that Green has a friend who works for DOL; not sure if Green had the fictitious vehicle registration forged or not.

I had also received a voice message from suspect Jason Lechner. I contacted Lechner who claimed he was not able to come in today but could come in on Sunday evening. I told Lechner I would call him between 1800-1900 hours to set up a meeting place.

On 10/19 I attempted to return Lechner's phone call and set up a meeting, at both numbers he provided, and they both went to voicemail. I tried several more times during the evening and no one answered the calls.

On 10/20 I received three voicemails from Lechner claiming he wanted to talk and ensured me that he was not trying to avoid this. Lechner stated on the voicemail that he was "going to step up and take care of this". Lechner also indicated he thought I wanted to meet up with him to take him to jail.

On 10/20 I returned Lechner's call and a male claiming to be a relative stated Lechner had just stepped out and would be back in about 30 minutes; also claiming he would let Lechner know I had called. Later in the evening I again attempted to call Lechner and the calls just went to voicemail.

At this time I am not going to attempt to contact Lechner, however if he comes into the police department I will interview him about the incident, take his statement and release him; forwarding the interview to SCSO if one does occur.

END OF REPORT.
